**Fr Tony writes:**

As we approach Pentecost and the celebration of Queen Elizabeth's Platinum Jubilee we may wonder how we might link such things. One link is that of 'anointing'. In the Bible priests, prophets and kings are all anointed, and this comes to be a sign of the gift of the Holy Spirit. When David is anointed King by Saul we are told, "The Spirit of the Lord seized upon David from that day forward" (1 Samuel 13:13). In the Old Testament the Holy Spirit is generally only seen as given to a select few. But in the New Testament the gift of the Spirit is seen as the basic mark of the Christian. And of course we all receive the gift of the Holy Spirit at Baptism. When children are baptised they are symbolically anointed with Chrism, and reminded that they are united to Christ, "priest, prophet and king". This is in anticipation of Confirmation, when we are given the gift of the Spirit in a new way. This new way is primarily being given the gifts of the Spirit in order to live out our Christian life of mission and service.

It is here we find the link between the particular charism given to Queen Elizabeth and the general gift of the Holy Spirit. For in both cases the gift is given for Service. As St Paul writes to the Corinthians:

*There are many different gifts, but it is always the same Spirit; there are many different ways of serving, but it is always the same Lord. There are many different forms of activity, but in everybody it is the same God who is at work in them all. The particular manifestation of the Spirit granted to each one is to be used for the general good (1 Corinthians 12:4-8).*

In our modern world, it is understood that rulers govern by consent, rather than divine right. But we also understand that the Lord calls people to different forms of service, including government, and gives them appropriate gifts to perform that service. Even republicans will generally admit that Queen Elizabeth has given us a remarkable example of service throughout her life. As we reflect on her 70 years of service, let us pray for a new outpouring of the Spirit in our own lives that we may better serve the Lord in whatever way he calls us.

**Calling All Bakers!** 🍰

As you know by now, we are holding a celebration for the Queen's Platinum Jubilee on Sunday 5<sup>th</sup> June (also the feast of Pentecost of course!). As part of this, we would love to have a special celebration cake.

Are there any keen cake makers in the Parish who would like to volunteer to make this cake for us please? It would need to be big enough to feed around 40 - 50 people.

If you can help, please either contact the Parish Office or talk to one of the Pastoral Team (Pauline, Helen, or Trish). Thank you ☺

The Welcome Directory is a list of places of worship, available to prisoners who are being released, where they know they will be welcome to come to worship. Many prisoners either come to faith or rediscover their faith in prison, but when they come out of prison struggle to find somewhere they can fit in. Those who do find a welcoming worshipping community are much less likely to fall back into old ways. The Directory comes recommended by Bishop Richard, who, as you may know, is the Bishop who 'looks after' prison chaplaincy for the Bishops Conference.

I would very much like one or both of our churches to be able to sign up for this. To do so we need a number of people to have done the course. If you think you can help, or want to find out more, please contact Juliette in the parish office. Juliette has done the course herself, and so will be able to explain it better than me!
